

# LifeStream Behavioral Center Annual Community Report Fiscal Year Ending 2018

Vision: To Bring Hope to Life Mission: Creating Hope, Supporting Recovery, Promoting Health P.O. Box 491000, Leesburg, FL 34749 352.315.7500 ~ 1.866.355.9394 www.lsbc.net

## **Message to Our Community**

We are eternally grateful for the blessings which have been bestowed on LifeStream over the past year. We worked with the State Legislature to provide new allocations for enhanced services in our schools, to strengthen our central receiving system by providing resources for non-hospital community services and to increase medication assisted treatment for individuals with opioid disorders. We expanded services in Orange, Citrus and Hernando Counties, in an effort to meet the needs of those communities as well. In Lake County, we are in the planning/permitting process to begin building our new inpatient and residential services facility in Clermont. This fifty-two (52) bed complex will bring much needed services to the residents of South Lake and Sumter counties.

LifeStream takes pride in what we have accomplished in the past year, but we remain resolute in our focus to address future needs. As we continue to navigate potential shifts in policy and funding within the behavioral healthcare environment, we are more committed than ever to ensure we are supporting each individual and family in achieving their behavioral health and wellness goals. As we look forward to the years ahead, we will continue to focus on the many opportunities to bring exceptional behavioral health care to even more individuals and families in the communities we serve. We are actively engaged in this work and know without you, services would not be available for the most vulnerable in our community. We deeply appreciate your devoted efforts to help LifeStream fulfill our Mission. Thank you for partnering with us on this exciting journey.

## Fiscal Year 2018 Accomplishments

Worked with the State Legislature to provide new allocations for enhanced services in our schools, to strengthen our central receiving system by providing resources for non-hospital community services and to increase medication assisted treatment for individuals with opioid disorders.

Received new CDBG funds from Lake and Orange counties to implement a new homeless shelter in Lake County and to renovate Anthony House in Orange County so that the 41-bed facility can be increased to provide 50 beds for homeless individuals and pregnant/post-partum women with severe substance use disorders.

Partnered with Lutheran Services through a Florida Blue Foundation grant to address the opioid crisis. The funding will allow peers and counselors to meet individuals in our local hospital emergency rooms in an effort to engage them in treatment.

New 3-year Strategic Plan was approved for fiscal years ending June 30, 2019, 2020 and 2021. The plan will utilize a balanced scorecard and incorporate goals for program growth, profitability and a sustainable work force.

We have begun negotiating the groundwork for a new State-wide Independent Practice Association (IPA) for behavioral health services. Our partners will be other progressive behavioral health providers and managed care plans.

Submitted winning proposal for State funding to create a children's Community Action Treatment (CAT) team for services in Citrus and Hernando counties. This builds on our CAT team model which already provides services in Lake and Sumter counties.

In our child welfare program, we reported 89 adoptions and 245 children achieving permanent placement. The program was strengthened by implementing our child welfare behavioral health integration initiative to achieve better outcomes for the children and families being served.

Awarded funding to start MAT opioid treatment services in West Orange County from Central Florida Cares. The services will be provided in Ocoee, near Health Central Hospital.

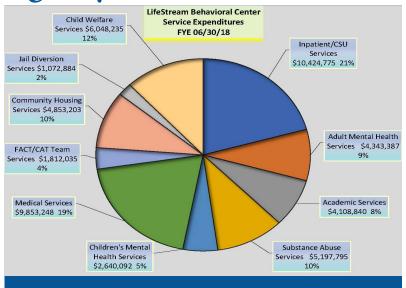

We are in the planning/permitting process to begin building our new inpatient and residential services facility in Clermont. This fifty-two (52) bed complex will bring much needed services to the residents of South Lake and Sumter counties.

Added a successful new annual fundraiser "Soup for Good". The event was held in Eustis to support the operation of the Open Door program, a day shelter for homeless individuals.

# **Agency Fiscal & Service Information**

	2016-2017	2017-2018
Assets	\$ 38,340,226	\$ 38,850,997
